

Where Did It Happen?

Rose learnt some great tips and tricks to manage her anxiety whilst at different places within Stormy Skies Academy. Can you name where she was in the pictures below and what she learnt there? You may need the map at the start of the book for this one.

Blank space for writing the location and lesson learned for the first illustration.

Blank space for writing the location and lesson learned for the second illustration.

Blank space for writing the location and lesson learned for the third illustration.

Blank space for writing the location and lesson learned for the fourth illustration.

"Great detective work, where was your favourite place in the book?"
